**A1** You'll learn basic Dutch in writing, reading, speaking and listening. Besides that you'll also learn about the Dutch society. The basics are for example; Learning to say 'Hello, I am....' You'll learn the alphabet, and you'll learn about typical Dutch traditions.

**A2** At this time you have basic knowledge of the Dutch language and society. From here on out you'll expand this knowledge by upping the difficulty level a bit. You'll learn about writing formal letters, which things are considered polite and impolite, contradictions and Dutch sayings etc.

### Invest in your future, bring your Dutch or English to the next level

This beginners' course in offers you the opportunity to learn the Dutch language fast and well.

The course aim is to reach level A1/A2 and for English B1/B2. During the course, you will cover the four skills of listening, reading, writing and speaking. Our excellent teachers will also familiarise you with Dutch customs and manners. The following themes will be covered: getting to know each other, talking about relatives, daily life, inviting people, (grocery) shopping, and ordering in a bar or restaurant.

Dutch is a Germanic language that is spoken by approximately 23 million people world-wide. Most of these live in the Netherlands and in Belgium, but Dutch is also spoken in Suriname and on the Dutch Antilles.

Dutch language level 1 is designed for beginners and gives you the opportunity to learn the basics of Dutch fast and well.

**The A2 course in Dutch offers you the opportunity to learn the Dutch language fast and well. The course aim is to reach level A2/B1. It covers the four skills of listening, reading, writing and speaking. During the course you will also become more familiar with Dutch customs and manners. If you are looking to become a more proficient user of Dutch, this is the course for you!**

The following themes will be covered: holidays, spare time, transportation, nature and landscape, eating and drinking, environment, safety and health, economics and work, and science.

Course activities include (for Dutch):

- speaking fluently
- discussions
- oral and written summaries
- grammar exercises
- letter writing
- preparation for the NT2 exam programme II

Do you recognise this?

You are a true professional, good at your job but not quite able to communicate correctly with your English-speaking contacts? Or, you are a student and your study turns out to be more English-oriented than you expected?

In both cases, we can help you!

We offer a summer course which will bring your English to the next level. It covers the four skills of listening, reading, writing and speaking. In addition to this, our excellent teachers will familiarise you with English customs and manners.

Course activities include:

- Increasing your vocabulary
- Refreshing grammar
- Practising your fluency through discussion and roleplay
- Improving writing skills, e.g. email

The aim of this upper-intermediate course is to reach level B1/B2. The course offers you the opportunity to improve your English in three weeks. Every week we will meet three times for a two-hour session. If you are looking to become a more proficient user of English, this is the course for you!
